#### A MESSAGE TO THE GRADUATES

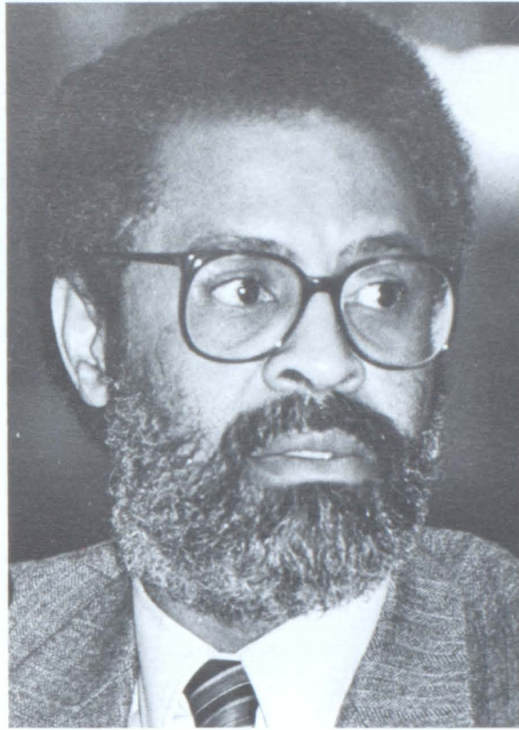

This graduation of 1987 marks the attainment of a new level of understanding and perception that shapes the future and explains the past. It is a culmination of academic pursuits at one level which provides the students with tools for continued academic success.

Graduation is both a termination and a beginning. The experiences and the knowledge attained at Weequahic High School should allow you to be more perceptive and more concerned for the broader problems of society which face us today. There are new ideas that beckon you, and unresolved problems which challenge you for solutions. Each of you must make the personal choice, and then follow through with consistent and tireless effort. You will succeed in your choice because you have been prepared by dedicated and highly skilled teachers.

Through your faith and through your deeds, you shape your life and help shape the lives of others as well. I congratulate you, and I wish you continued success.

EUGENE C. CAMPBELL  
EXECUTIVE SUPERINTENDENT

Congratulations Graduates,

Graduation from high school is a commencement of an important chapter in your lives. Your diploma will be your passport to the world of opportunity.

How far you will travel depends upon your application of the principles that your parents, teachers and friends helped you to develop. The academic foundation that you have received will enable you to take advantage of the opportunities and overcome difficulties you will face in your future. Betray neither your principles nor fail to build upon your academic foundations and your lives will be filled with success.

As you move through life, remember your days at Weequahic, the friends you made, the experiences you shared and the lessons you learned. Use them as a point of reference but not as a refuge from the future.

Again, congratulations; I am certain you will represent your parents, your school, your city and yourselves proudly and well.

Sincerely,

A handwritten signature in cursive script that reads "Eugene C. Campbell".

Eugene C. Campbell

YOUR YEARS AT WEEQUAHIC HIGH SCHOOL ARE NOW PAST AND ARE RELEGATED TO MEMORIES, BUT YOU WILL ALWAYS BE PART OF THIS SCHOOL, JUST AS IT WILL BE PART OF YOU.

WISHING YOU STRENGTH TO DO WELL AND WISDOM TO BE POSITIVE AND COURAGE TO GO FORWARD.

BENJAMIN O'NEAL

"SUCCESS IS GOING FROM FAILURE TO FAILURE WITHOUT LOSS OF ENTHUSIASM" SIR WINSTON CHURCHILL

IT'S ALWAYS NECESSARY FOR ME TO HAVE A STARTING PLACE. THIS QUOTE IS THAT. THE POINT IS NOT THAT ANY OF US IS A FAILURE; BUT RATHER, WE ARE NOT, AND SHOULD NOT BE STOPPED IN OUR TRACKS BY ANY ONE FAILURE. THERE WILL BE FAILURES; THERE WILL BE RE-DIRECTION OF GOALS; THERE WILL BE TIMES WHEN WE ARE POWERLESS TO CHANGE THAT THAT MUST BE CHANGED. NEVERTHELESS, WE MUST GO ON AND ON AND ON.

ENTHUSIASM ALLOWS US TO GO---ON AND ON AND ON. I ENCOURAGE YOU TO MAINTAIN A SENSE OF ENTHUSIASM: TO WORK THROUGH WHATEVER OBSTACLES MAY BE IN THE PLACE TO THWART YOUR SUCCESS; TO ACCEPT SOME FAILURES, BUT TO KEEP IN MIND YOUR ULTIMATE GOALS. I BELIEVE IN THE WORK ETHIC. I WOULD HOPE THAT YOU WOULD, TOO. AND, ULTIMATELY, I ASK THAT YOU WORK TO ENJOY LIFE. IT SHOULD BE A GOOD TIME.

JEANNE N. OPPEL

JEANNE N. OPPEL

Congratulations on the completion of another milestone in your lives. Everyone here at Weequahic High School has tried to prepare you for the future. When opportunity presents itself, those who are prepared are most likely to take advantage of it. Set your sights high on your goals, your wishes, and your ambitions. Strive always to be the best you can.

My best wishes to all of you, for a bright, productive, and happy future. Good Luck!

Sincerely,

NORMA BROWN

I join with the administration, faculty, staff, and students of Weequahic High School in saying congratulations to the graduating class of 1987. You are among the fortunate in today's society. Fortunate because you have been able to persevere through twelve years of schools; fortunate because you did not succumb to the 'dropout' statistic; and fortunate because you have chosen the path that you will follow in life - the path of success.

Christian F. Hebbel, a German dramatist, wrote: "Life is not anything: it is only the opportunity for something" All I ask is that you seize every opportunity that presents itself to you, take from it what you need to reach your goals, mold it to fit the 'blueprint' you have drawn for yourself, and do the very best that you can, with whatever you have, wherever you are.

With help from our very devoted advisor, Ms. Maxine Boatwright, we have raised money that will go towards the senior class expenses. We could not have done it without Ms. Boatwright. We would like to say, "thank you" for all your help and encouragment throughout our Junior-Senior years.

An Idea Takes Shape

Our 1987 Yearbook committee really worked hard. After all without them we would not have this great book. While striving for perfection, we worked hard in meeting and keeping deadlines.

We are proud of the final outcome of our publication and we hope you are satisfied with the results.

## DEBATE TEAM

Standing: Naa-Mo-Mo A-Otu, Yolanda Hicks, Earlyne Smith, Renata Brown  
Sitting - Ms. Mildred Curry, Debate Coach

Yolanda Hicks and Naa-Mo-Mo A-Otu

The Debate Team at Weequahic High School began in 1984, debating in formal Lincoln-Douglas. Students participating in these debates prepared for eight to ten hours. Preparation involved discussion, formulation of argument, research, and informal verbal interaction among the debate members. In the style of Lincoln-Douglas, an issue of values was argued. The bulk of a student's case for and against included opinions, formulated from an array of experiences. Although the debaters used their opinions, they were also encouraged to research the topic of the resolution so they could be prepared for their opponents arguments.

Weequahic's Debate team entered six formal debates. Those debates included Project Pride at Rutgers University in Newark, regional meets at Bronx Science High in New York, Hendrick Hudson in Montrose, N.Y., and Mid-Hudson League Debates in West Lake, N.Y. Our team entered into these competitions as varsity and intermediate debaters. We won a few rounds and lost a few, but we never lost the spirit of Frederick Douglas "There is no progress without a struggle". Students who experienced the Debate Team at WHS experienced leadership training, public speaking preparation, intensive academic competition, and team building power strategies.

"1987 WITH PRIDE!!!"

NINETEEN EIGHTY-SEVEN  
THIS IS THE YEAR  
WHEN WE PART FROM ONE ANOTHER  
ALL OF OUR FRIENDS SO DEAR  
SOME OF US WILL REMAIN  
WANDERING AIMLESSLY ABOUT  
WITH HEADS HANGING LOW  
THE FUTURE STILL IN DOUBT  
ON TUESDAY THE TWENTY-THIRD  
WE WILL GIVE OUR LAST GOODBYE  
A SMILE UPON EVERY MOUTH  
A TEAR IN EVERY EYE  
THEN YEARS FROM THAT DAY  
SOME WILL HAVE REACHED THE TOP  
A FEW STILL IN SCHOOL  
PUSHING THAT JANITORIAL MOP  
IN THE FAR OFF FUTURE  
TWO TEENAGERS RUNNING WILD  
YOU'VE BEEN A GOOD PARENT  
BUT STILL YOU'RE "OUT OF STYLE"  
RELAXING ON THE SOFA  
FINISHED YOUR SUNDAY RIDE  
PICKING UP THE YEAR BOOK

## STUDYING

---

---

Getting good grades is not just a matter of having a high IQ. In fact, no matter how intelligent you are, to succeed in school you need to master a variety of practical study techniques. Study means to apply the mind to any subject in order to learn about it. Study is accomplished mostly by means of reading observation, questioning, listening, and reflection. It is an important part of the process of learning. The purpose of study is the discovery and understanding of information. As we know, effective or successful study consist of much more than merely memorizing facts. Because knowledge is important to every person, it is wise to learn how to study in the most effective way.

Plan carefully how to use your time when you are least tired. Cultivate the habit of taking notes in outline form both while reading and during classroom work.

Whether you are considering going to college or enrolling in a different kind of school, this summary might convince you of the need of good study skills.

## STUDY SCALE

- \_\_\_\_\_ (+ 10) I study throughout the semester.
- \_\_\_\_\_ (-10) I let my studies slide until the end of the semester when I cram.
- \_\_\_\_\_ (+ 15) over 20 hours per week for most of the semester.
- \_\_\_\_\_ (-5) I do most of my studying late at night when I am tired.
- \_\_\_\_\_ (+ 5) I do most of my studying in a quiet, distraction-free environment.
- \_\_\_\_\_ (-5) I tend to drink alcoholic beverages while studying.
- \_\_\_\_\_ (+ 5) After I understand the material, I continue studying it to insure that I remember it.
- \_\_\_\_\_ (+ 5) I vary my study methods.
- \_\_\_\_\_ (+ 10) I usually finish my papers and assignments ahead of time. \_\_\_\_\_ (+ 5) on time. \_\_\_\_\_ (-10) late.

### AISHA-LIFE

By Ahsonna Muhammad

There were times when we gave  
up hope  
Those, when our lives were in  
shambles  
until the moment we met Aisha  
And saw how much of life she  
gambles  
Life is a trying situation which  
Without struggle wouldn't be  
worth living  
For all the proof that's weakness  
In Aisha's total being  
But we are proud of the strength  
beyond  
That takes a special seeing  
By the will of the Almighty Creator  
She'll pull right through this hell  
And live to be strong and healthy  
With a story of faith to tell . . .

## *Earning It Is Not Easy . . .*

We Work Hard For Our Money . . . So Hard . . . . . WHS Students employed in this fast growing work world, find their work challenging, rewarding, and interesting. Some of our students are employed in private sector jobs. These students perform a variety of duties. A few of our students are also employed in governmental jobs. They work for federal state, or local governmental agencies. The work study program at WHS has been very effective and successful.

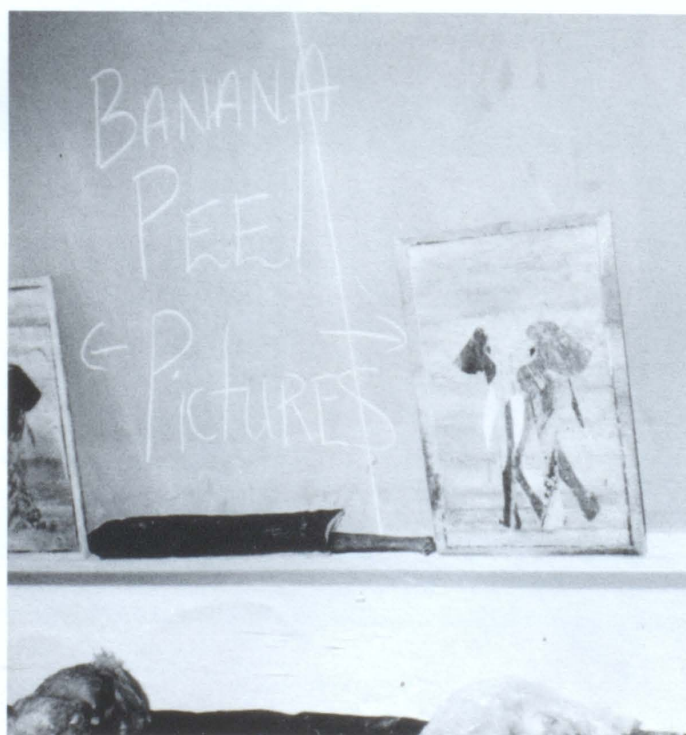

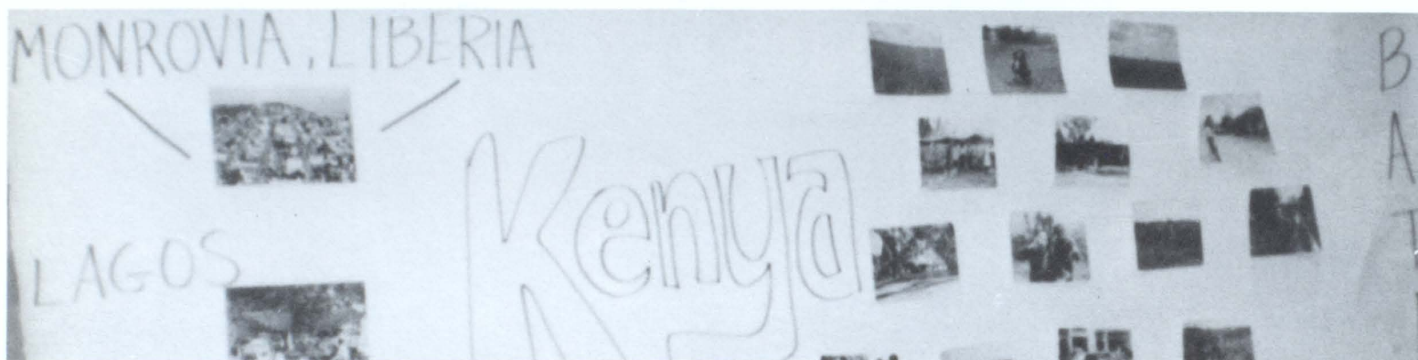

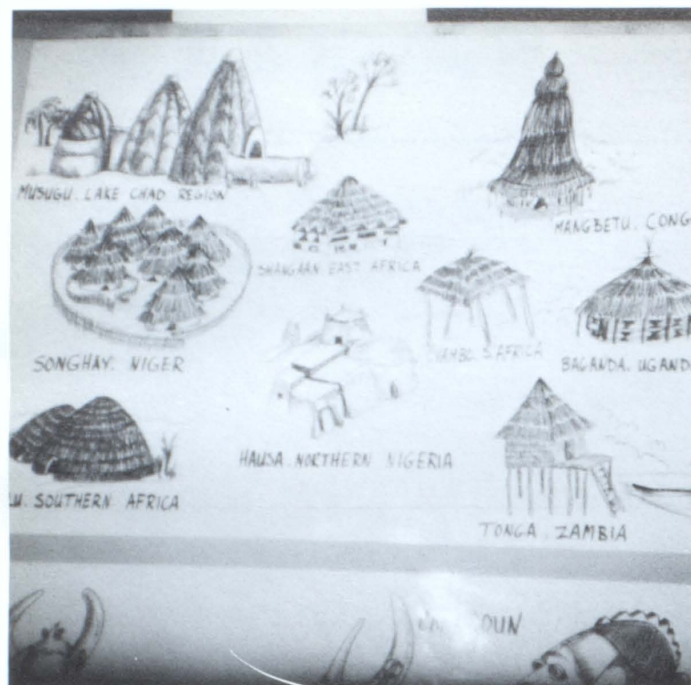

Some of the most popular working spots are Fayva Shoe Store, Valey Fair Department Store, McDonald's Berger King, The Federal Building, Newark Board of Education and New Jersey Bell Telephone Company. Being on the job is not easy, putting up with picky bosses and inconvenient hours, but let's face it, for us to enjoy the good life we must make a sacrifice. **WORK FOR OUR MONEY . . .**

### LOVING MEMORIES OF ESTHER EAMES

MRS. EAMES WOULD LIKE TO BE REMEMBERED AS AN INDIVIDUAL WHO DID HER JOB, AND DID IT THOUGHTFULLY AND THOROUGHLY. SHE HAD A CAREER AS A HEALTH TEACHER, NURSE, AND GUIDANCE COUNSELOR. IN ALL THESE CAPACITIES MRS. EAMES WORKED IN A HELPING AND CARING POSITION. IT IS IN THIS WAY THAT MRS. EAMES WILL BE REMEMBERED BY HUNDREDS OF PEOPLE WHO HAVE HAD THEIR LIVES SOMEHOW TOUCHED BY MRS. EAMES.

ABOVE ALL, MRS. EAMES ALWAYS WANTED THE BEST FOR HER STUDENTS. SHE PUT IN AN EXTRA EFFORT TO BE SURE THAT A STUDENT WOULD HAVE A VOLUNTEER JOB AT BETH ISRAEL HOSPITAL OR THAT ONE OF HER COUNSELEES WOULD BE ACCEPTED INTO A COLLEGE. WE WILL ALL REMEMBER MRS. EAMES BECAUSE SHE WAS A DISTINCT AND MEMORABLE WOMAN WHO TOUCHED US ALL.

MR. SUTHERLAND, 435

MS. TATUM, 330

SENIORITIS: WHAT IS IT?  
THE BASIC FEELING THAT FOUR YEARS IS JUST TOO LONG TO SPEND IN ONE PLACE. IT'S GREAT TO BE A SENIOR, NO DOUBT ABOUT THAT.  
HOWEVER, THERE'S A BIG PROBLEM THAT COMES WITH SENIORITY — SENIORITIS.

MR. GROSS, 323

### INCOMPLETE HOMEWORK EXCUSES

"HOMEWORK? WHAT HOMEWORK? YOU DIDN'T GIVE ANY HOMEWORK!"

"I WAS UP UNTIL 12:00 AND I STILL DID NOT FINISH MY HOMEWORK."

"MY DOG ATE MY HOMEWORK."

"IT'S IN MY NOTEBOOK IN MY LOCKER."

"I THOUGHT IT WAS DUE NEXT FRIDAY."

MS. HOROWITZ, 323

OUR OFFICE WORKERS KEEP THINGS RUNNING SMOOTHLY IN THE MIDST OF GRADUATION CONFUSION. OUR VICE PRINCIPALS SHARE IN THE BURDEN OF THE SCHOOL AND ALSO HELP TO PRODUCE A BETTER WEEQUAHIC HIGH SCHOOL. OUR GUIDANCE COUNSELORS LISTEN CAREFULLY BEFORE COUNSELLING US OR GIVING US THAT EXTRA DIRECTION IN GUIDANCE THAT'S NEEDED FOR SUCCESS.

APPLICATTIS: WHAT IS IT?  
THIS, OR COURSE, IS THE SICKNESS CAUGHT FROM FILLING OUT COLLEGE APPLICATIONS, BUT, ACCEPTTIS IS THE CURE. ONCE SENIORS ARE  
ACCEPTED TO A COLLEGE, THE RECOVERY IS SPEEDY.

THE SENIOR CLASS  
IS AS PERFECT AS A ROSE,  
IT IS AS UNIQUE  
AS THE EXPERIENCE WE SEEK.  
YES, SOME OF THE PETALS ARE FALLING,  
AND SOME HAVE HIT THE GROUND.  
BUT WILL THAT STOP THE REST,  
FROM BEING THE BEST?  
FROM REACHING A HEIGHT,  
AS GREAT AS THE SUN.  
THE SUN THAT SHINES ABOVE THE ROSE.  
I SAY, NO!  
FOR IF WE ARE AS HEAVENLY AS  
WE CLAIM  
THEN WE, WE WILL BLOSSOM  
LIKE THE ROSE,  
AND SPREAD OUR PETALS  
TO THE HEAVENS ABOVE . . .
